Have A Piece of the Holy Land at Your Church

Jerusalem Gardens Stone Works

JGSW is an Israeli company, family owned, that engages in building, manufacturing, supplying, selling and marketing natural stone internationally and domestically since 1980.

JGSW supplies high standard natural stone for commercial, religious and residential projects worldwide. Our Jerusalem Stone comes from the quarries of the Holy Land and Jerusalem.

The head office and factories of the company are located in Israel. The company also operates through its overseas offices in USA and Europe and representative offices around the world.

JGSW provides **one-stop shopping service** and offers its customers everything from planning, through fabrication, supply and project installation (Israel only). The company professional staff includes architects, project managers, stone specialists and stone consultants.

Christ Worship Centre, Surrey, B.C., Canada
